

The drawing consists of two parts: a front view on the left and a cross-section view on the right.

**Front View (Left):** Labeled "Skats no iekšpuses" (View from inside). It shows a door with a central panel and two side panels. The door is set within a frame. Dimensions 1, 2, 3, 4, 5, and 6 are marked along the top edge, indicating various widths and spacings.

**Cross-section View (Right):** Labeled "IEKŠPUSE" (Inside) and "ĀRPUSE" (Outside). It shows the door's profile, including the frame and the door leaf. A note "Atvēršanās zonā grīdai jābūt vienā līmenī!" (In the opening area, the floor must be at the same level!) points to the threshold area. A dimension "min 5°" indicates the minimum opening angle of the door.

IEKŠPUSE ± ĀRPUSE

Atvēšanās zonā grīdai jābūt vienā līmenī!
